Ontario's Transfer and Pathways Guide

What *every* high school student needs to know

ONTransfer.ca helps you understand postsecondary pathways and identify your options so you can achieve your education and career goals.

Not sure what program or school to choose? Don't sweat it!

During your academic journey you may be able to transfer courses, programs, or institutions.

If you decide you want to make a change, ONTransfer.ca is here to help.

With ONTransfer.ca, you can save time and money by not having to start your new program from scratch. We can help you navigate transfers between schools and programs in Ontario.
