

**Knowing about  
postsecondary transfer  
and pathway options can  
help you make the best  
decisions for your future.**

**Find out everything you need to know at  
ONTransfer.ca**

## Why should **high school students** know about their transfer and pathway options?

Knowing your options before you apply to college or university can help:

- Ease your postsecondary concerns. For example, what if your program or school doesn't turn out to be a good fit?
- Empower you to make the most informed postsecondary choices possible.
- Educate you on paths to achieve your postsecondary goals.
